*Too Much Information*

There is a common expression: “Too much information!” We usually use it when people tell us details about their lives that we don’t want or need to know. Today, when James and John ask Jesus a simple question, making their request for places of honor in the kingdom, a simple answer might have been in order. Instead, as he often does, Jesus answers a question with a question; today it’s about drinking *the cup of suffering*. Then, once the others are indignant over James and John’s outrageous request, Jesus proceeds to give them what may have been considered as “too much information” for followers who were simply interested in the pursuit of glory. Even though this information can seem like “too much” for us, it is essential for our lives as disciples. In Isaiah, in Hebrews, and in Mark today, we are taught this information. It is in suffering, in weakness, and in self-giving service to others that we come to understand the kingdom. This is exactly the information we need to find our place and come to be honored in the reign of God.

Cathedral of the Sacred Heart is raising funds for the ongoing preservation and beautification of The Cathedral. Parishes, ministries, groups, families and individuals are encouraged to support fundraising efforts by purchasing a masonry tile for \$1000. In turn, the donor(s) name or memoriam will be etched into a tile and displayed. Contact The Cathedral for additional information @ 719-544-5175. This is also a great way to make a donation in memory of a loved one, while supporting The Cathedral and Pueblo’s Catholic community. A brochure is on the bulletin board near the ramp entrance.
