THE TRUE MEASURE

When I die, God won't measure my head to see how clever I was. God will measure my heart to see how loving I was.

TRAITS OF A TEACHER

All who undertake to teach must be endowed with deep love, the greatest patience, and, most of all, profound humility. The Lord will find them worthy to become fellow workers with him in the cause of truth.

—St. Joseph Calasanz

THE CROSS OF JESUS

The perception of a cross changed dramatically after Jesus' crucifixion. Before that event, death on a cross was not only horrible, it was degrading. It was a penalty reserved only for the most wretched of criminals. The word "glory" would not have found its way into the same sentence containing the word "cross." But all that changed with Jesus. Over time, believers began to venerate and honor the cross. They painted, sculpted, and carved images of it. Many lost their own lives for their association with it. Today our reverence for and relationship with the cross recalls little of the contempt originally associated with it. As it has been through the ages, it is our perception of the cross that determines how we follow Jesus. Copyright © J. S. Paluch Co.

A Good Test

A test of worship is how sensitive it makes me to the needs of those around me. —Anonymous

A Message from Bishop Berg

General Dispensation from the Sunday obligation remains. These extraordinary times merit the use of this Apostolic power from our Bishop. It is not a sin to miss Sunday Mass during these circumstances. You may be able to attend a weekday Mass instead or continue to watch livestream or prerecorded Mass. Anyone in a higher at-risk category and anyone showing signs of illness, has these alternate means of worship and should be responsible toward the preservation of God's gift of life." We are still taking reservations for those who want to attend Sunday and weekday Masses. You may call Jamie Vigil at 719-250-6630 or call the office during the week and it will be given to Jamie. Father & Staff Thank You .
