The more he saw the less he spoke.

GIFTS

In today's readings, we discover that material wealth alone does not keep us from discipleship. We will see that there are other gifts more important than material wealth, but even so, it is how we use our gifts that matters most.

Today's scriptures point to the value of the gifts of wisdom, trusting in God, and letting our actions reflect the love of God from within. It is not gold that causes us to fall, but rather the desire for gold above all other things. From the readings in Wisdom and Hebrews, we find the source of God's gifts in our lives. Wisdom is more valuable than worldly possessions. In Hebrews, we are challenged to look at our own values and admit honestly what controls our lives.
